Discussion Questions – The Art of Solving Family Problems

What concepts or solutions jumped out to you in this sermon? Was it something new or something tried-and-true that resonates with you?

“Financial success isn’t how much money you have, but how well you handle it.”

Read the following stories from the Bible and discuss how this statement may apply.

1. 1 Kings 17:8-16 – The Widow’s Bread

2. Luke 15:11-32 – The Prodigal Son

3. Luke 19:1-10 – Zacchaeus

4. Matthew 25:14-30 – The Parable of the Talents

We are advised to pray over our financial decisions. How many transactions do we make on a daily, weekly, and monthly basis? Which price tags deserve prayer? How can we put this into practice?

Considering that all we have is from the Lord, why do so many people struggle with returning tithe faithfully? Why does \$20 often seem bigger at church than at the store?
